INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT

1. We have reviewed the accompanying statement of Unaudited financial results of **Kandagiri Spinning Mills Limited** ("the Company) for the quarter ended September 30, 2015('the statement') being submitted by the Company pursuant to Clause 41 of the Listing Agreement with the stock exchanges, except for the disclosures in Part II of the of the Statement referred to in Paragraph 4 below. This Statement (initialed by us for identification) is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.
2. We conducted our review of the Standard in accordance with Standard on Review Engagement (SRE) 2410, '*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement .
4. Further, we also report that we have traced the number of shares as well as the percentages of shareholdings in respect of aggregate amount of Public shareholding and the number of shares as well as the percentages of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements and the particulars relating to the investors complaints disclosed in part II of the Statement from the details furnished by the Company/Registrars.
